4. Japanese Unexamined Patent Application No. 11-014953, dated January 22, 1999; together with English-Language Abstract

The references were cited in an Official Action dated January 7, 2004 received from the Japanese Patent Office. Applicant is submitting copies of the above-cited references, together with a translation of the Examiner's comments regarding the references from the Official Action. Please note that Japanese Unexamined Patent Application No. 59-182421 has been previously submitted in an Information Disclosure Statement dated June 14, 2002. The relevance of the references is described in the Official Action.

In compliance with the requirements of 37 C.F.R. §1.98(a)(3), as a concise statement of relevance, as it is presently understood by the individual designated in 37 C.F.R. §1.56(c) most knowledgeable about the content of the information, the undersigned submits a translation of portions of an official action by a foreign examiner in which the references were cited. The relevance to the pending U.S. patent application is that the references were cited in a foreign patent application on the same subject matter. However, no independent analysis of the references, the accuracy of the statement of the foreign examiner or the claims of the foreign application under the laws of that country or the United States relative to the subject matter claimed in the present application has been made; the present understanding of the contents thereof by the undersigned being based on the translation of the foreign examiner's comments submitted herewith.

Inasmuch as this Information Disclosure Statement is being submitted in accordance with the schedule set out in 37 C.F.R. §1.97(d), the \$180.00 fee and statement are enclosed.

Respectfully submitted,

Anthony N. Fresco
